SUMMARY

Final year Computer Science student specializing in Software Development with a strong foundation in building web-based systems and mobile applications. Experienced in Dart (Flutter), PHP (CodeIgniter), HTML, MySQL and Java, with a strong focus on clean code and efficient database management. Known for being a proactive problem solver with the ability to adapt quickly to new technologies and fast-paced environment. Committed to apply technical expertise and logical thinking to develop high-quality software solutions. Available to start from 20 September 2026 until 19 March 2027 (6 Months).

EDUCATION

Universiti Sultan Zainal Abidin (UniSZA) Besut Campus	October 2023 – Present
Bachelor of Computer Science (Software Development) with Honours, CGPA:3.86	
• Final Year Project: IReportBully: Online Bullying Complaint and Monitoring System	
Kolej Matrikulasi Kedah (KMK)	May 2022 – May 2023
Matriculation Program: Science Computer (Module III), CGPA: 3.75	
• MUET: Band 4	

PROJECT

Final Year Project	October 2025 – Present
IReportBully: Online Bullying Complaint and Monitoring System (Ongoing)	
• Developed a mobile application for reporting and monitoring bullying incidents using Natural Language Processing (NLP) and Multinomial Naïve Bayes to automatically identify and prioritize bullying reports.	
• Integrated Python Flask API with Flutter and Firebase for real-time complaint processing and monitoring.	
• Implemented complaint submission, case tracking and notification features to improve the management of bullying cases.	

LANGUAGE & SKILLS

- **Technical skills:** Microsoft Word (Intermediate), Canva (Intermediate), Microsoft Excel (Intermediate), Microsoft PowerPoint (Intermediate), Python (Basic)
- **Soft skills:** Able to analyze problems systematically and identify effective solutions.
Capable of resolving challenges efficiently in fast-paced environments.
Work effectively with team members to achieve shared goals and complete projects.
Quick to learn new technologies and adjust to changing requirements.
- **Languages:** Malay (Native), English (Proficient)
